Coperta Aloe Coperta Antique Coperta Azure Coperta Brick Coperta Ecu Coperta Ivory Coperta Oliva Coperta Pesto Coperta Sable Coperta Shiraz Coperta Walnut Coperta White	<p>Wash warm on gentle in a front-loading machine using color and fragrance free detergent. Use enzyme reactive stain removers only. Due to chemical processes, dry cleaning and bleaching are not recommended. Always dilute detergents or pour into a full tub, do not pour directly onto textiles. Fabric softeners are not recommended; softeners coat fibers and make them appear soft. Add one cup of white vinegar into the rinse to remove all traces of detergent and leave fabrics smelling fresh.</p> <p>The ideal way to dry linens is to air dry. If you must use a dryer, tumble dry on low for a few minutes and do not dry completely. Remove linens from the dryer while still damp and iron. For best results, use a spray bottle filled with water as opposed to the iron's steam feature.</p>
